

Final Call for Papers

SID

EuroDisplay 2015

SOCIETY FOR INFORMATION DISPLAY

September 21-23, 2015

Convention center
"Het Pand"
Ghent, Belgium

EuroDisplay 2015 will be the ideal place for networking between all people involved in display related research and development. The conference will be a mixture of presentations by academia and industry, and a showcase of new display technologies during the exhibition.

Ghent is a charming city that featured in the Lonely Planet's top 10 cities.
