

MEETING NOTICE & INVITATION
Pacific Northwest Chapter • Society for Information Display

Planar's Unique Approach to LCD Video Walls

John Dixon

Product Marketing Manager, Planar Systems

Wednesday, July 18 - 6:00 P.M.

PLANAR Systems (headquarters)
1195 NW Compton Dr.
Beaverton, OR 97006 (503) 748-1100

Abstract

Planar's Clarity Matrix LCD video wall system is a unique approach to tiling ultra-narrow bezel LCD to create video walls that provide some differentiated features and solve some of the challenges associated tiling LCD's in this application. Come hear about some of the unique technology as well as how Planar has implemented passive glass 3D technology to this video wall solution.

Speaker Biography

John Dixon has over 11 years of experience in the display industry holding several positions for Clarity Visual System and Planar Systems and is currently the Product Marketing Manager for Planar responsible for the Clarity Matrix portfolio of LCD displays.

Seminar

The Seminar is free. Please join the speaker for a no-host dinner after the seminar. Directions to the restaurant will be provided at the seminar. Non-Members are welcome. RSVP to Gary Johnson at Gary.Johnson@tek.com or (503) 627-1985. Please indicate if you plan to participate in the dinner.

The Pacific Northwest Chapter of the Society for Information Display was established for the following purposes:

- To support the activities and purposes of SID.
- To encourage and contribute to the scientific and educational advancement in the field of information display and to promote its use.
- To provide forums for the exchange and dissemination of ideas and knowledge relating to the field of information display.
