

SID Automotive Display & Electronics Workshop

Friday June 20, 2025 12.30-17.30 hrs

Venue: India Habitat Centre, Casuarina Hall, New Delhi

This workshop will bring together industry leaders, researchers, and innovators to explore cutting-edge trends in Automotive Displays (OLED, Micro-LED, HUDs) and Electronics (emerging standards and more). It is also a key networking activity for the emerging display community in India. At this event, attendees will have exposure to the diverse and rich display electronics industry segments with great networking opportunity.

Session Highlights:

- 1** Inaugural Keynote: Rise of India's Electronics Ecosystem / Future of DisplayTech – report from DisplayWeek 2025
- 2** Driving Automotive Display: Challenges/Design considerations in Automotive Displays, Global Market Trends
- 3** Automotive Electronics: AI, ADAS, Standards for secure Automotive Tech
- 4** Panel Discussion: Industry Challenges & Future Roadmap
- 5** Networking: Connect with OEMs, startups, and experts

 Limited seats available.

SID Automotive Display & Electronics Workshop

India Habitat Centre, Casuarina Hall | 20 June 2025

Time Flow

12.30-13.00	Registration	
13.00-14.00	Networking Lunch	
Inaugural Session		
14.00-14.55		
5 min	Dr Ashwini, SID Rajesh Sharma, ED	Welcome Note/ Agenda Setting
15 min	ICEA	Rise of India Electronics Ecosystem- Mobiles & More...
15 min	MEITY spokesperson	Policies 2.0- insights & Implications - Specifically for Display & Electronics
15 min	Dr Ashwini Dr Sudheer Kumar, CEO NC FlexE, IIT	India @ Display Week 2025/ India Display Conference Curtain Raiser
5 min	Kanpur	Wrapup// Inaugural
14.55-15.50	Driving Automotive Display Technologies	
15 min	SID Global KeyNote	Driving Automotive Display (Technology Trends)
15 min	Nikhil Kishore, Counterpoint Research	Global Automotive Display Market Trends
20 -30 min	Dr P Srinivasan, Mahindra	Corp Group Keynotes
	Mme Satyendar Kaur (TBC)	Visteon
15.50-16.10	Tea-break	
16.10-16.55	Automotive Electronics & Integration	
15 min	Dr Sudheer	Flexible & Printed Electronics in Automotive
15 min	EFY Advisory	Evolution of Automotive Electronics-AI driven Safety Systems
20 min	VESA/SRM Tech	Standards for automotive electronics (SRM, Core Group)
17.00-17.30	Networking Tea
